STONE & THOMAS.

CLOAKS.

It costs money to advertise. It is not often that one merchant will advertise another. You see at least half a dozen firms in this city advertising the greatest stock at lowest prices. Now, look at the other stocks, then come and see ours. We are not objects of charity. We don't want you to pay us one penny more than you can buy the same garment elsewhere. But if we can sell you the same goods at lower prices, are we not entitled to your trade? Buying from the makers in large quantities for spot cash in every instance we claim gives us exceptional advantages in making low prices.

At \$7.50 We offer 25 Ladies' Plush Capes, 27-inch long, trimmed in Brown Martin Fur. See them. At \$7.50

At \$10 We offer 90 32-inch long Lester's Seal Plush Capes, trimmed in Brown Martin and Jet Braid. We don't think a better garment is being retailed anywhere for \$15. They will be shown with pleasure. At \$10

At \$11.90 Last week we bought 100 32-inch long Astorian Capes, 94-inch sweep, heavy satin lined. We telegraphed duplicating that order. This (Saturday) morning they will be here. The above cut represents this Cape. Without doubt the greatest value ever offered at \$11.90. At \$11.90

At \$5.00 36-inch long Coat Back Reeser Jackets of Chenille Cloth, in black, or blue, velvet collar. A very stylish Jacket for \$5.00. At \$5.00

At 66c 200 Children's Eiderdown Cloaks, ages one to four years, trimmed in Angora Fur. Think of the price: Good serviceable Child's Cloak for 66c. At 66c

STONE & THOMAS.

COAT OR CAPE—GEO. M. SNOOK & CO.

A glance into our large Cloak Room reveals an Eden of activity and at the same time fully answers the question that now puzzles so many searchers for stylish and comfortable winter garments.

Here are tall women, whom nothing seems to please better than the long, double-breasted, tight-fitting Prince Albert Coats, the immensely full sleeves of which drop away in graceful fullness. This is the ideal garment for a tall lady, although small and medium-sized women of slender build look equally as well in shorter garments of the same style.

Materials most in favor are Chinillas, Boucles and Diagonal Choriots, Meltons, smooth corded Diagonals and Covert Cloths. Prices range from \$3.95 to \$50.

Here again, at the far end of this crowded department are women—short, medium, tall, fleshy, slender—all kinds, who think there's nothing equal to the full sweep Fur, Plush or Cloth Capes, of which we have already sold great quantities, ranging in price from \$3.75 to \$300.

Full Sweep Fur Capes from the best makers only are on sale here. These consist of French and Electric Seal, Coney, Astrakhan, Monkey, Martin, Mink, Dyed Opossum, Persian, etc. We are selling the finest Mink Capes fully \$25 below market value.

Come in and permit us to talk Coat or Cape—as you elect. If you've always worn Capes, would suggest a Coat for a change, or vice versa. We're perfectly at home on the Dress Goods question, too, and the low prices previously announced are still in force.

His Life Dispaired of.
It will be sad and surprising news to his many friends that Mr. Dave Dinger, of the Island, is expected to die at any moment. For some time he has had trouble with his eyesight, and lately his ailment has been diagnosed as a tumor in the brain. For some time he has had to remain in a darkened room, and his malady has progressed so far that the physicians extend no hope.

City Tax Collections.
City Collector Shaffer yesterday reported to Receiver Kindelberger the following receipts of city taxes in the past week:

General fund.....	\$ 9,654 30
Ten cent levy.....	1,779 22
	\$11,433 52

The funds are coming in very satisfactorily so far this year.

He Stole a Bicycle.

Yesterday morning Officer Wilkie arrested Park Dorff, a young man of twenty or so, on a charge of stealing a bicycle from J. N. Hendricks, a clerk in the Baltimore & Ohio freight office. The wheel was taken from Market street two weeks ago to-day, and was found in Schanapf's repair shop, where it had been left to be repaired and offered for sale for \$35. The wheel was identified and Dorff was sent to jail by Squire Gillespie to await a hearing.

School Color Chosen.

The members of the alumni association and the pupils of Clay grammar school have united in choosing scarlet as their school color. This will be worn only by the members of the alumni and pupils of the senior classes. On all important occasions all members of the school will be permitted to wear it. Hereafter Clay will be known by its color.

This is a plan which will be adopted by each ward, each school choosing a different color.

Fine Meeting in the Eighth Ward.

Last evening in Handlan's hall, in the Eighth ward, a Republican meeting was held, and it was attended by a crowd which packed the house to the door. Hon. N. E. Whitaker, Republican candidate for state senator, made one of his practical, common sense talks, which favorably impressed everybody in the audience. He was followed by Hon. A. R. Campbell, who made a farcical and convincing speech, as he always does. The meeting was one of the best ward meetings of the campaign.

In the Circuit Court.

In the circuit court yesterday the following foreigners were admitted to citizenship: John W. Laing of England; Emil Stahl, of Germany; William Steadman, of Germany; Pasquale Pisone, of Italy; Louis Feisner, of Germany.

Sheriff Franzheim was appointed a committee of the person and property of Mary Heinrich, an insane person.

In the case of J. H. Pipes, survivor of the firm of Pipes & Reed, an order was made for a scire facias.

In the chancery cause of Elizabeth Robinson vs. John Robinson, an absolute divorce was granted the plaintiff on the grounds of desertion.

An Old Dodge Tried Again.

Last evening a prominent colored citizen, active in labor circles, informed the Republican committee that he had been approached by Democratic politicians and offered a position in the city gas works if he would use his influence to secure colored voters for the Democratic candidates. He said a number of other colored voters had told him they had been approached in the same manner. All of them resented the imputation that they were purchasable, and at once notified the Republicans of the facts. Similar schemes have been tried before when the Democracy were in bad straits, but they will have to adopt new tactics this time to win votes from any class of people.

NO QUORUM AGAIN.

The City Council Fails to Hold Its Called Session.

A special meeting of the city council was called for last night by the mayor, at the request of several members. No quorum appeared in the second branch, and therefore nothing could be done.

In the first branch Messrs. Caddie, Caldwell, Dobbins, Farrell, Grimm, Hadlich, Menkemeller, Otto, Richards and Robinson answered to their names at roll call. They were ready for business when notified that the second branch had adjourned for lack of a quorum.

The members of the second branch present were Messrs. Britt, Brock, Delters, Frew, Gruse, Israel, Kenney, Killen, Milligan, Warncke, Zoeckler and President Waterhouse, making three short of a quorum. Mr. Milligan moved to enforce the rule authorizing the branch to enforce the attendance of its members, and the chair ruled that this motion was in order. Pending this proceeding, however, Mr. Iarnel moved to adjourn, add the motion prevailed.

Prior to the attempted council meeting the committee on police met and recommended the payment of bills aggregating \$215.00. A bill of \$6 for white gloves to be worn by the police on parade was deferred, the chief thinking it was too high.

Mantell This Evening.

Of Mantell's "Monbars," to be seen at the Opera House this evening, the Cincinnati Commercial Gazette says:

Mantell has no equal in public estimation in romantic, heroic roles, such as "Monbars," and the audience at the Grand last night expressed their opinion on this point very emphatically. The dramatic situations were promptly responded to, and as the interest of the play rose and intensified toward its close, so did the enthusiasm of the audience. The duel scene and grand climax evoked a perfect storm of cheers.

WHAT THE HUB HAS DONE.

WHAT THE HUB HAS DONE.

Shout the glad tidings! We have toiled, tailored and triumphed, broken down prejudices, won confidences, gained a prestige to Ready-to-Wear Garments that places them before all, above everything, the acme of perfection, the quintessence of fashion, living examples of the economy and satisfaction of buying what you can see and try on rather than trusting to the FANCIFUL picture drawn by imaginative tailors. We have given dollars their greatest purchasing power, and the result: The people recognize our facilities, appreciate our excellencies, applaud our endeavors, patronize our offerings, and gratefully accept the saving our prices make.

WHAT THE HUB HAS DONE

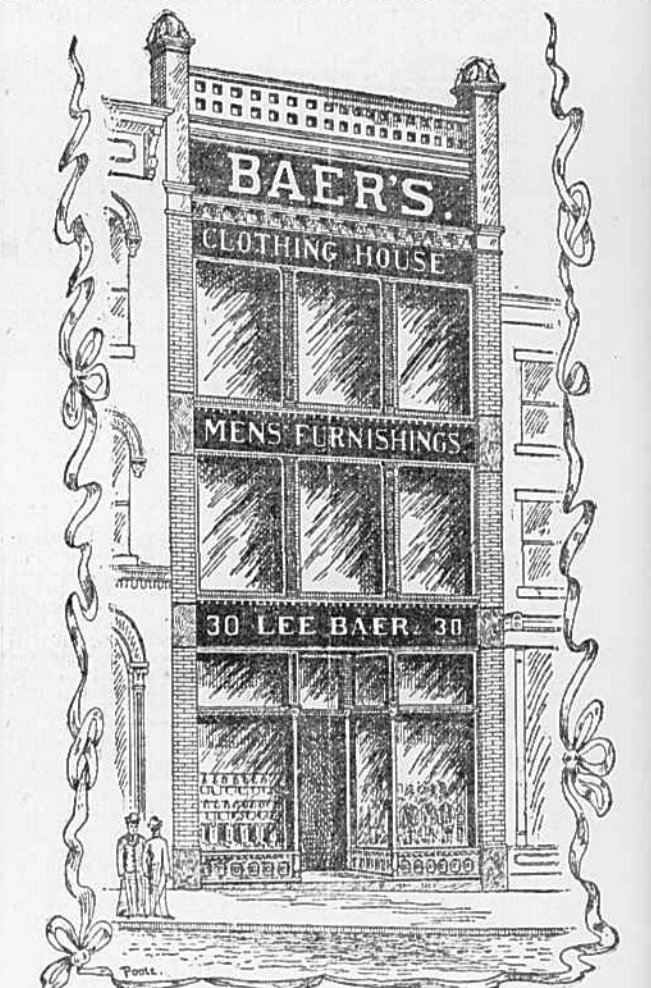

Has made Wheeling a community noted for well dressed gentlemen. The opportunities are greater this season than ever, the stock larger, the variety better, the values richer, and the prices lower.
